Even the Most Diligent Managers Can Get Their Company Fined

OSHA can inspect a facility at will, and typically do so without warning. An average inspection results in a \$40,000 – \$80,000 fine, but fines for willful violations can exceed \$150,000.

Avoid Fines With Hazardous Waste Experts' Guaranteed Compliance and On-Call Emergency Response Services.

\$75,867

Approximate Maximum Possible EPA fine per day
